ADVENT DEVO

**ADVENT DEVOTIONS
2021**

THIS BOOKLET BELONGS TO:

**WHAT DO I HOPE TO
ACCOMPLISH THROUGH THIS STUDY?**

HOW TO USE THIS DEVO

Review

“Wherever we are on our journey, we will take steps together to know and become like Jesus.”

This is our mission together. To truly know Jesus, we must deepen and strengthen our relationship with Him and with one another. This Advent Devo is an opportunity to do just that. Through personal, daily time with God, and in community with other believers, let's take this step together!

Prepare

- Establish a time of day and a specific place to begin.
- As you sit with God, start by becoming quiet. You can do this through a few deep breaths. Make sure your phone is in another room. Turn off the television and do your best to remove distractions.
- Sometimes it helps to have a pad of paper. If distractions come, write them down so that you can work through them later. For example, if you remember you need to do something, make yourself a note so that you can let it go during your time with God.

Begin

- Start with a simple prayer asking God to open your heart.
- Choose the study for the current week. Check the **Scripture Reading Plan** for the current day and read the corresponding scriptures. If you prefer to listen to them, use the Dwell App with the free subscription at jacobswellchurch.church/dwell. Then read the **Spiritual Practice**. Do this each day of the week. Listen to the **Advent Hours of Prayer Podcast** from Pastor Paul at jacobswellchurch.church/prayer. Next refer to the **Missions & Share Partners Prayer Plan** at the back of this booklet. Pray as directed for the current day. Then complete the **Question for the Week**. How does your answer change as the week progresses? Finally, complete the **Rethink Challenge** for the current week. This will be something you can work on every day. Be sure to capture what you're learning in the **How's It Going?** section.
- As you finish your time each day, be silent and wait to see how God works in your heart and mind. Don't rush away. You might miss something He is trying to say to you.

SPIRITUAL PRACTICE

Week 1

HOURS OF PRAYER

Establishing set times of prayer is an ancient practice that goes back to the Old Testament. The Psalmist says, evening, morning, and noon I will cry out and lament. Jesus and the apostles practiced keeping sacred hour as did the early church fathers.

Throughout Christian history Christians would gather up to seven times a day to sing, recite and meditate on Scripture, ancient prayers and theological truth. The sacred offices usually involve some confession of sin, the "Our Father", reaffirming ancient creeds as well as prayers of intercession for leaders in society and the church.

We are posting morning, midday and evening prayers once a week throughout Advent that you can use as much or as little as you feel lead to do throughout the week. Some will pray three times a day using this tool. Some may start or end the day with these prayers. Some will stop in the middle of busy work days to do midday prayer. Some days you may just listen, while other days you may dive deeply into the prayers making them your own. Some prayers may be familiar, and some may be very new. The prayers we have chosen have been taken from several of the great traditions of the faith.

Many find great healing and comfort for their mind, soul and spirit by keeping the Hours of Prayer. This could become a wonderful practice or Christmas tradition for your family.

THOUGHT INVENTORY

The Scriptures tell us that we should be wise about what we let into our mind. That is why it is good to occasionally review what we are letting into our thought process. You can use this inventory as an individual, but we also encourage you to use it as a family. So, if you are a parent, you can answer these questions with each family member as well as your whole family together.

⁸Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.

⁹What you have learned and received and heard and seen in me — practice these things, and the God of peace will be with you.

SPIRITUAL PRACTICE

Week 2

LECTIO DIVINA

Lectio Divina (Divine Reading) is the ancient Christian practice of scripture reading. Its primary function is to read scripture in order to develop a relationship with God. The goal is to meditate on a section of scripture and, "Be still, and know that I am God." - Psalm 46:10

Take one of today's scripture passages from the Advent Journey and do the following:

Step 1 (Lectio): First, read a passage of Scripture. This reading is meant to be intentional and slow. Most people will read the focus passage several times through.

Step 2 (Meditatio): Next, meditate on the Scripture. Take time to ponder the passage, seeking to hear from the Holy Spirit. The goal is not to analyze the passage, but instead to view it from various perspectives. It is often helpful to focus on one or two words in a scripture. For example, the person who uses Ps 46:10 may focus on the word "Be" or the word "still."

Step 3 (Oratio): This step consists of prayer. After having read and meditated on the passage, the practitioner of Lectio Divina brings it to God in prayer. Questions people often ask when they practice this step are; "Where is God's Invitation?" or "What is God seeking to reveal?"

Step 4 (Contemplatio): The Lectio Divina process concludes with contemplation. This is a type of listening or restful prayer. Seek to simply sit in God's presence with His Word still fresh on the mind. This is also where we look to see how we can apply what we learned to our lives as we journey to be more and more like Christ.

SPIRITUAL PRACTICE

Week 3

SOLITUDE

Solitude is a place that we set apart for God when we unplug and withdraw from the noise of relationships, busyness, and other stimulation. Silence deepens our experience of solitude by creating space for our souls to listen, to breathe, and to rest. To practice solitude and silence, choose a safe and comfortable place that allows

you to be available to God. Settle into a comfortable position and sit quietly for a few moments, breathing deeply, becoming aware of God's presence with you and your desire to be present with God.

- **Is there a joy you are celebrating?**
- **A loss you are grieving?**
- **Are there tears that need to be shed?**
- **A question that is stirring?**
- **An emotion that needs expressing?**

Practice entering into solitude until it becomes routine for you to begin your time with God by being quiet and letting your soul come out and rest in His presence. You will probably be surprised at what your soul wants to say to God.

SPIRITUAL PRACTICE

Week 4

MEDITATION

Begin your time by taking 4-5 slow, deep breaths. As you slowly release the final breath allow your thoughts to center on the birth of Jesus; contemplating the reality that He is both fully God and fully man. What

does it mean? Why is this necessary? How is this even possible? Allow the Holy Spirit to guide your answers or simply glory in the mystery.

Continue by taking a few more deep breaths. Pay attention to any stress you may be carrying or any thoughts that are intruding. Acknowledge them and let them go up to God as prayer. As your body becomes relaxed, allow your mind to wander into that cold night in Bethlehem. All the prophecies, the foreshadowing, the stories of the ages culminate with the arrival of the Savior of the World. Jesus, the One who takes away the Sins of the world, has arrived in the humblest of ways. Dwell on the deep love God displays in substituting His own Son as a sacrifice for our sins.

Contemplate the magnitude of God's Love and Grace in your life.

WORSHIP

A great way to re-focus your mind and heart on Jesus is to engage in worship. Worship songs, hymns and, yes, even most Christmas Carols are inspirational words taken from scripture. Make a playlist of

songs or slip in a CD that can help you take your mind off the busyness of life. Sing along or just sit silently and listen carefully to the words. Invite the Holy Spirit to help you grow, and become strengthened and empowered by the worship you offer up.
