We'll get to these later!

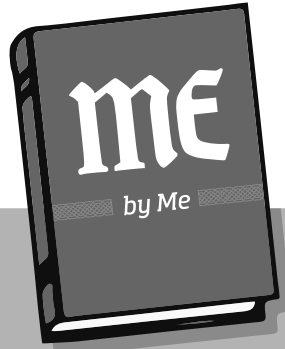

Every time you choose to open your Bible, and spend time giving God Praise, you are changed to be more like Him, and can overcome evil. 🤝 ➡️ 🙌

You can overcome with God, cause He already has!

The Bible is God's Autobiography

What is an AUTOBIOGRAPHY???

An autobiography is a book that someone writes about themselves. All of us have a life story. In fact, when we introduce ourselves, we sometimes have to give a mini-autobiography, telling just a little bit about who you are and what you've done.

Now you get to write your own autobiography! Write about what songs you like to sing to God and what your favorite Bible verse is. Any fun memories at JW Kids? Write about that too!

Try This Type of Worship

Open your Bible to Psalms 23. Read the verse out loud as if you are reading it to God. Try to remember that people used to sing these Psalms as songs... because that's what they were! In fact the Psalms list different musical instruments they used back then. Cool!

What Instruments Are Mentioned in Psalms?

The Shofar, Lyre, Harp,
