

**Kids**

# ROOTED

*in Christ*

**WEEK 3**

Complete the devo and return it to  
JW Kids to receive some JW KidsCash!

# ROOTED

*in Christ*

## DID YOU KNOW?

**We usually only eat the root part of the carrot. The rest of the carrot can be eaten as well. Leaves can be turned into pesto, the flowers can be used in salads and the seeds are used as seasoning. You could have an entire meal made just from carrot plants**

## This week...

...we are continuing our series called **ROOTED IN CHRIST**. It is all about a book of the Bible in the New Testament called Colossians.

Colossians is all about who Jesus Christ really was, is and will always be!

This book is written by a guy named Paul. Paul wrote this letter to explain the gospel of Jesus and how it should shape the way that believers should live. How WE should be **ROOTED IN CHRIST**.

## MEMORY VERSE

**Now that you have accepted Christ Jesus as Lord, walk in Him, be rooted, and built up in Him.**

**Colossians 2:6**

- \_\_\_\_\_ 10. Plants such as grain, vegetables, or fruit grown by farmers  
**A. Crops                  B. Livestock                  C. Chips                  D. Sandwiches**

# Finding These Seeds in the Bible

We can all be like these soils in the story that Jesus told at some point in our lives. Together **AS A FAMILY** read about these Bible characters and discuss how at some point in their lives they were like the seeds that were eaten by birds, the seeds that grew in shallow soil and withered right away, the seeds that grew in the weeds, or the seeds that grew in good soil
