# THINGS TO DO

Grab a jump rope, some shoelaces, or a long string to play a fun game to help your child learn this month's bible verse! Lay the rope or shoelace in the middle of your living room. Then have your child walk across it, like walking on a tight rope. Each time they take a step, have them say one word of the bible verse, "Nothing is impossible with God." Switch it up by having them walk backwards or jump back and forth over the rope.

Using playdoh, you and your child can re-create the week's Bible story. You can make playdoh fish and loaves of bread, make a boat and giant waves, even make a face! Remind your child that "Jesus can do anything."

Cuddle Time: Go to the "JWKids Prek-K/Kindergarten" page <http://jacobsowellchurch.church/jwkids/pre-k-kindergarten> and watch this month's new story with Ms. Nicole. Remind your child that Jesus can do anything.

Pray this prayer together at bedtime and invite your child to repeat each sentence after you: Thank you, Jesus, for this day. Thank you, Jesus that nothing is too hard or big for you. We love you. Amen.

As you're driving around, play this month's worship song, "Our God is a Great Big God" by Yancy and have fun singing and worshipping together.
