# THINGS TO DO

We can help others learn about Jesus with our kind actions. Grab some paper, crayons, markers, and any other craft items you have at home and help your child make cards for friends and neighbors. Write a favorite Bible verse on the card as a way to share Jesus with them.

Make a hopscotch on your sidewalk and write one word of this month's bible verse in each square. Then, have fun jumping through the hopscotch board while you say the verse. Try jumping with two feet, then one foot, jump backwards, be creative!

Cuddle up together and read the story of King Josiah from your favorite kids' Bible or listen to this month's bible story with Ms. Nicole at **[www.jacobswellchurch.church/jw-kids/pre-k-kindergarten](http://www.jacobswellchurch.church/jw-kids/pre-k-kindergarten)**

Use the time you have in the car to play this month's worship song, "Dig Down Deep" by Jana Alayra.

Before bed, say this simple prayer together: "Jesus, help me tell others the good news about you."
