REVELATION WORSHIP CHALLENGE

We have been learning that there is a constant war going on between good and evil, but also in our minds. Are we going to live for God through our words and actions or are we going to live for the enemy and doing things of this world?

We have also been learning that worship can be used as a weapon against the enemy. When we praise God and show that he is #1, the Bible says that the enemy will flee from us. Satan doesn't stand a chance when we show we have God on our side. This week, try some of these worship activities.
