

TABLE TALK QUESTIONS

Each night, ask your child to pick a number from 1 to 6. Scroll to it and ask that question around the table.

Question 1

Would you rather be a famous inventor or a famous writer?

Question 2

Would you rather live in a place with a lot of trees or live in a place near the ocean?

Question 3

Would you rather visit the international space station for a week or stay in an underwater hotel for a week?

Question 4

Would you rather ride a roller coaster or see a movie?

Question 5

Would you rather have a house with trampoline floors or a house with aquarium floors?

Question 6

Would you rather have pancakes every day for breakfast or pizza every day for dinner?
