YOUR STORY

YOUR STORY

This week we started a brand-new series called Your Story. Everyone has a story, and we are learning how to recognize and share how God impacted our Stories. Your story is important! Why? Because your story is part of God's story. You are called to share your story with others, because it holds so much of God's power.

TRIVIA QUESTION?

What is so special about this list of words? (Answer Below)

WHAT IS A TESTIMONY?

A witness! We are witnesses, of how we have seen God move and shake in our lives. When we know and remember the work of God, and share that with others, we are giving testimony! Read these verses to learn more about the impact a testimony has on those who do not believe in God.

1 John 1:2-3

Daniel 4:2

Psalms 22:22

1 Chronicles 16:8

Isaiah 12:4

MEMORY VERSE

They triumphed over him by the blood of the lamb and the word of their testimony.

Revelation 12:11

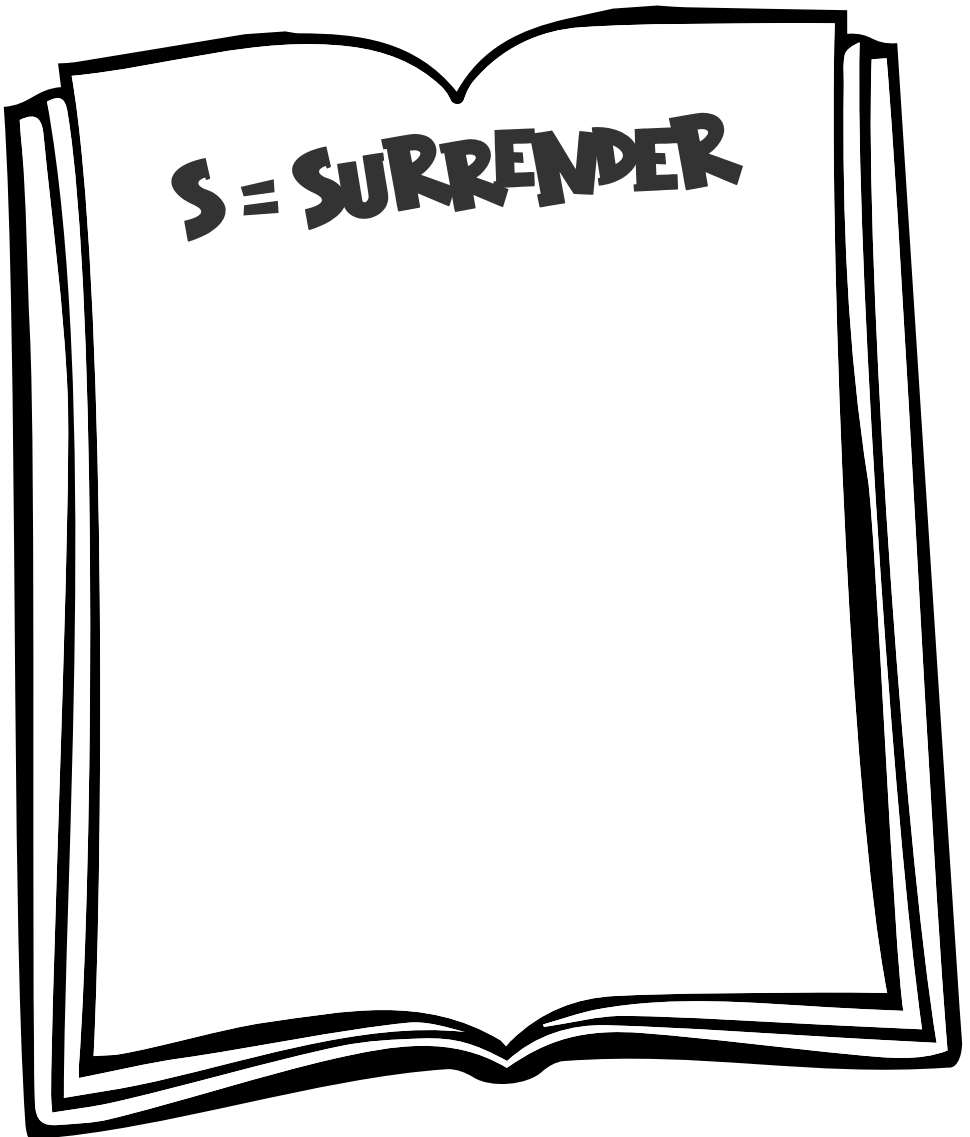

The blood of the Jesus, the Lamb was shed on the cross for us. Evil has already been defeated, and we get to continue to fight the enemy with God, by sharing our testimony.

They are all the words used in the story, "Green Eggs and Ham" by Dr. Seuss. There are exactly 50.

S.R.D.P. (*sr-dp: kind of sounds like syrup*) Surrendering our lives, giving our sins and struggles to God, letting go of control... that's what it means to let God lead the way. If you gave something you struggle with completely to God, (swearing, worrying, angry thoughts or actions) how would your life change?

Take a moment to write about what it would be like to surrender something to God. What have you surrendered to God already? What do you still need to surrender?

THINK ABOUT THIS

What are some things you need to surrender or let go of? Use these two circles to guide you as you think about what you can surrender completely to God and what you can ask God for help with. Write in anything else you can think of.

Getting angry when I
don't get my way

WHAT I NEED TO SURRENDER

Wanting everything
for myself

WHAT I CAN CONTINUE TO DO WITH GOD'S HELP

Apologizing when
I am wrong

Including those
who have
no friends

Telling
the truth

Being kind

Unforgiveness

Not asking
for help
